

Gregory Wiedeman

Science Library 356
518-437-3936
GWiedeman@albany.edu

Education

- 2013** **M.S. Information Science**
University at Albany, SUNY
ALA accredited program with concentration in Archives & Records Management
- 2013** **M.A. History**
University at Albany, SUNY
Thesis: "The Most Interesting Place: The Eastern Mediterranean and American Cultural Knowledge"
- 2010** **B.A. History**
Marist College, Poughkeepsie, NY

Archives Leadership Institute 2025 cohort

Employment

- 2015-Present** **University Archivist**
M.E. Grenander Department of Special Collections and Archives
University Libraries
University at Albany, SUNY
Librarian, 2026-present
Associate Librarian, 2020-2026
Senior Assistant Librarian, 2015-2020

- Manages acquisitions, accessions, collection development, and archival processing for the University Archives
- Leads born-digital records collecting program for University Archives that meets public records laws and professional standards
- Develops and implements digital infrastructure for discovery and collection management
- Oversees web archiving program for the Albany.edu domain and outside collecting areas
- Performs primary reference services for University Archives, working with students, faculty, staff, alumni, and the general public

Accomplishments

- Lead development and implementation of multiple access systems into a common web discovery point (archives.albany.edu), including:
 - Implemented the first production ArcLight instance
 - Incorporated digital objects and full text search into ArcLight
 - UAlbany History curated timeline application
 - Discovery system for rare book collections
 - Jekyll-based static wrapper website
- Obtained \$471,661 in grant funding as Principal Investigator or lead author and Project Director

- Designed extensible processing program, using traditional archival methods to greatly expand public access to University Archives collections
- Directed ArchivesSpace collection management system implementation and migration
 - Created and implemented tools and workflows around the ArchivesSpace API to meet a variety of local needs
- Provided vision and direction for on-demand digitization program, lead reference ticket system implementation
- Stewarded Library-Graduate School partnership project to manage and migrate Electronic Theses and Dissertations (ETDs)
- Project Manager for Council on Library and Information Resources (CLIR)-funded *Digital Archive of Executions in the United States, 1608-2002* project, provided overall vision and direction for the project
 - Designed Espy Project Execution Records website (archives.albany.edu/espy)
- Led UAlbany Web Archives program, supporting the University Archives, outside collecting areas, and Institutional Repository

2023-2024 Digitization Strategy Consultant

University of California, Irvine Libraries

- Term consultant position to document digitization capacity and make recommendations on workflows, staffing, equipment, and strategy for UCI Libraries digitization program
- Conducted structured interviews with all relevant UCI Libraries staff for inclusion and information gathering
- Designed and facilitated a four hour in-person collaborative strategic planning session with structured exercises derived from Liberating Structures
- Deliverables included a digitization strategy document, assessment tools and metrics, digital collections personas, and tiered recommendations for staffing and equipment

2014-2015 Project Archivist

M.E. Grenander Department of Special Collections and Archives

University Libraries

University at Albany, SUNY

- Administered Council on Library and Information Resources (CLIR) Hidden Collections grant to arrange and describe 710 cubic feet of the National Death Penalty Archives (July 2014-March 2015)
- Supervised three Graduate Student Assistants and three Undergraduate Student Assistants processing a variety of archival material in accordance with *Describing Archives: A Content Standard* (DACS)
- Implemented New York State Documentary Heritage Program Grant (April 2014-June 2014) to arrange and describe four collections containing 82 cubic feet of material concerning LGBT civil rights activism
- Developed Python-based automated Encoded Archival Description (EAD) authoring workflow that maintained consistent local practices

2013-2014 Project Archivist

2011-2013 Archives Assistant

Archives and Special Collections

James A. Cannavino Library

Marist College, Poughkeepsie, NY

- Arranged and described all major incoming collections from July 2011-April 2014, including both administrative records and manuscripts
- Applied professional processing standards, including *Describing Archives: A Content Standard* (DACS), Library of Congress Authorities, Art & Architecture Thesaurus (AAT)
- Performed regular in-person and remote reference services, working regularly with undergraduate students and scholarly researchers
- Regularly managed 5-12 undergraduate student assistants and occasional graduate student interns in archival processing, digitization, and exhibit building
- Migrated data and developed web exhibits, online finding aids, and access tools using XML, Encoded Archival Description (EAD), eXtensible Stylesheet Language Transformations (XSLT), XQuery, HTML, and CSS
- Oversaw large-scale digitization efforts
 - Managed Lowell Thomas Digitization Project (\$103,979 NHPRC Grant)
 - Over 40,000 images in more than 8 photographic formats
 - Coordinated metadata creation and quality control workflow
- Performed regular and on-demand preservation activities
- Directed the movement and storage of the department's entire holdings for renovation in summer of 2012

2012-2014

Collections Project Manager

Dutchess County Historical Society, Poughkeepsie, NY

- Arranged and described 19th century collections and made them available for use
- Implemented DACS, minimal processing techniques, and other professional standards
- Wrote and obtained \$8,297 New York State Documentary Heritage Grant for the Hubbard Family Papers
- Developed and implemented low-cost preservation procedures
- Designed new, easy-to-use collection management and access workflows that were not software-dependent

2013

Intern

*Wilderstein Historic Site
Rhinebeck, NY*

- Cataloged manuscripts using PastPerfect and applied comprehensive local authority controls

2009-2010

Undergraduate Student Assistant

*Archives and Special Collections
James A. Cannavino Library
Marist College, Poughkeepsie, NY*

- Participated in the 2-year project to arrange and describe the 1,200 linear feet Lowell Thomas Papers, supported by \$140,000 NHPRC Grant

Awards

- 2023 – SUNY-wide Chancellor's Award for Excellence in Librarianship

- 2022 – President’s Excellence Award for Librarianship
- 2020 – Society of American Archivists Archival History Section Archival History Article Award for “The Historical Hazards of Finding Aids”
- 2019 – Pritchard Award, granted to library faculty working in partnership with a library or information science student employee on a project or initiative for *The Digital Archive of Executions in the United States, 1608-2002: Digitization and Access to the M. Watt Espy Papers*

Exhibits

- *UAlbany History*, Blacklight-based exhibit of UAlbany events (<https://archives.albany.edu/history>), Fall 2020.
- *University on the Make, 1960-1970 Online Exhibit*, Timeline of UAlbany's unrest during its transition from a small teacher's college to a large research university with Ben Covell, January 2017
- *Selections from the National Death Penalty Archives*, University at Albany Special Collections and Archives, Science Library, co-curator with Jodi Boyle, April 2015
- *Journey to the Land of Our Past with The Lowell Thomas Travelogues Online Exhibit*, May 2013
- *Hidden Treasures: Photographers and the Lowell Thomas Papers*, Marist College Art Gallery, February-March 2013
- *Journey to the Land of Our Past with The Lowell Thomas Travelogues*, Marist College, Lowell Thomas Communication Center, October 2011

Continuing Education – Workshops Attended

- “Solr for Newbies” Workshop at Code4Lib, San Jose, CA, February 19, 2019
- “Teaching the DLF Project Managers Toolkit.” Learn@DLF, Digital Library Federation (DLF) Forum, Las Vegas, NV, October 14, 2018
- “Beyond the Basics ArchivesSpace Skill Share.” Chemical Heritage Foundation, Philadelphia, PA, October 17, 2016
- “Dive Deeper into Hydra,” Workshop at Code4Lib, Philadelphia, PA, March 7, 2016
- “Dive into Hydra,” Workshop at Code4Lib, Philadelphia, PA, March 7, 2016
- “From Theory to Action: A Pragmatic Approach to Digital Preservation Strategies and Tools.” Digital POWRR Workshop, University at Albany, SUNY, October 22, 2015
- “Accessioning and Ingest of Electronic Records.” Society of American Archivists (SAA) DAS Course, SUNY Fredonia, June 3, 2015
- “Arrangement and Description of Electronic Records II.” Society of American Archivists (SAA) DAS Course, Washington, DC, August 12, 2014
- “Arrangement and Description of Electronic Records I.” Society of American Archivists (SAA) DAS Course, Washington, DC, August 11, 2014

Skills

Applications – git, Solr, Microsoft Office, Adobe Creative Suite, eXist XML Database, BaseX

Archives Applications – ArchivesSpace, ArcLight, Blacklight, BitCurator Environment

CMS/Web Frameworks – Ruby on Rails, Flask, Bootstrap, some Drupal, WordPress, and Django

Disk Imaging – Guymager, dd, FTK Imager

Digital Forensic Tools – The Sleuth Kit, fiwalk, Plaso, BulkExtractor

Digital Repositories – Samvera/Hyrax, Blacklight, Luna Insight, Fedora Commons

Digital Scholarship Tools – NLTK, Stanford Named Entity Recognizer, twarc, D3Plus

Markup Languages – HTML 5, CSS 3, JSON, XML, XSLT, Markdown

Metadata Standards – DACS, EAD (EAD 2002 and EAD3), MODS, METS, PREMIS, Dublin Core, Schema.org
